

NOTICE OF CLASS ACTION SETTLEMENT
*(Carroll v. HealthSouth Arthroscopic & Laser Surgery Center of San Diego, L.P., et al.,
 San Diego Superior Court, Case No. GIC806908)*

If you were a patient who treated at Arthroscopic & Laser Surgery Center of San Diego, L.P. (and all affiliated entities operating under fictitious business names related thereto); SHC San Diego, Inc.; or HealthSouth Corporation at the HealthSouth Sports Medicine and Rehabilitation Center formerly located at or about 5471 Kearny Villa Road, Suite 202, San Diego, California; and/or who received any surgery or treatment from Defendant Gary Losse, M.D. at Arthroscopic & Laser Surgery Center of San Diego, L.P. or the Kearny Villa location, at any time from January 1, 1996 through December 15, 2000, you may be entitled to a cash payment from this class action settlement.

*The San Diego County Superior Court authorized this notice.
 This is **not** an advertisement from a lawyer. You are **not** being sued.*

This Notice concerns a settlement to resolve a class action lawsuit over whether HealthSouth Corporation (and affiliated entities) unlawfully concealed from the public that Gary Losse, M.D. was allegedly incompetent to render medical services, including performing surgery, because of alleged long-term undisclosed addiction to narcotics. The two sides disagree on the validity and merits of the claims asserted and how much money, if any, could have been awarded if the matter proceeded to trial.

**YOUR LEGAL RIGHTS ARE AFFECTED WHETHER OR NOT YOU ACT.
 READ THIS NOTICE CAREFULLY.**

YOUR OPTIONS AND IMPORTANT DEADLINES IN THIS SETTLEMENT:	
File a Claim Form	If you wish to be included in this settlement and receive a settlement payment, you must mail by first-class mail a completed Claim Form (included with this Notice) to the address specified on the Claim Form, which must be postmarked on or before October 25, 2016, or you must submit a Claim Form online at www.HealthSouthClassAction.com on or before October 25, 2016. You must sign the letter, and include your name, address, telephone number, and the last four digits of your social security number, and state clearly that you do not wish to be included in the settlement.
Object	If you wish to object to the settlement, the last day to file your written objection with the Court is October 25, 2016. Service of written objections on the Claims Administrator, Classaura LLC, and counsel for the parties, must be postmarked on or before October 25, 2016. Instructions on how to object to the settlement are included in this Notice.
Do Nothing	If you do nothing, you will NOT receive any settlement payment and will give up your right to sue HealthSouth Corporation (and affiliated entities) for the claims resolved by this settlement, as described in this Notice.

These rights and options, and the deadlines to exercise them are explained in this Notice. The Court in charge of this case still has to decide whether to approve the settlement. Settlement payments will be made *if* the Court approves the settlement and after any appeals are resolved. Please be patient.

I.
BASIC INFORMATION

1. Why did I get this Notice?

You have received this Notice because the records show that you may be a member of this class action lawsuit. The court in charge of this case is the San Diego County Superior Court and the case is known as *Carroll v. HealthSouth Arthroscopic & Laser Surgery Center of San Diego, L.P., et al.*, San Diego Superior Court, Case No. GIC806908. Judge Ronald L. Styn of the California Superior Court for the County of San Diego (“Court”) has granted preliminary approval of a proposed class action settlement of all claims in this case. If you are included in the following definition, you are considered a “Class Member” and all Class Members together are considered “the Class”:

All persons who were patients and treated at Arthroscopic & Laser Surgery Center of San Diego, L.P. (and all affiliated entities operating under fictitious business names related thereto); SHC San Diego, Inc.; or HealthSouth Corporation at the HealthSouth Sports Medicine and Rehabilitation Center formerly located at or about 5471 Kearny Villa Road, Suite 202, San Diego, California; and/or who received any surgery or treatment from Defendant Gary Losse, M.D. at Arthroscopic & Laser Surgery Center of San Diego, L.P. or the Kearny Villa location, from January 1, 1996 through December 15, 2000.

This Notice explains the lawsuit, the settlement, your legal rights, what benefits are available to you, who is eligible for them, and how to get them. It is important that you read this Notice carefully as your rights may be affected by this settlement.

2. What is this class action lawsuit about?

On or about March 10, 2003, Plaintiffs Tim Carroll, Anna Good, and Paula Hamma (“**Plaintiffs**”) filed this class action against HealthSouth Corporation (and the affiliated entities identified above) (“**Settling Defendants**”) alleging, *inter alia*, and amongst other claims and allegations, that Settling Defendants purportedly violated California law by allegedly concealing from the public that Gary Losse, M.D. was incompetent to render medical services, including performing surgery, because of his alleged long-term undisclosed addiction to narcotics.

In July of 2015, following years of litigation, Plaintiffs and Settling Defendants (identified above) (collectively, “**the Parties**”) participated in two (2) full days of mediation before qualified and skilled mediators in an attempt to resolve this dispute. There, the Parties successfully resolved this dispute through good faith, arm’s-length negotiations.

Settling Defendants deny that they violated the law in any way as alleged in the lawsuit. Nothing in this Notice, or the settlement itself, or any actions to carry out the terms of the settlement shall mean or be interpreted to mean that Settling Defendants admit any fault, guilt, negligence, wrongdoing or liability whatsoever.

3. Why is there a settlement?

Plaintiffs and Settling Defendants have been actively investigating and litigating the claims asserted in this class action lawsuit. With the assistance of highly experienced, skilled, and impartial mediators, a comprehensive investigation of the claims, and good faith settlement negotiations, the Parties and their respective counsel agreed to this settlement.

Plaintiffs and their counsel recognize the expense and length of continued proceedings necessary to continue the litigation against Settling Defendants through class certification, trial and any possible appeals. Plaintiffs and their counsel also have taken into account the uncertainty and risk of the outcome of further litigation, and the difficulties and delays inherent in such litigation. In addition, Plaintiffs and their counsel are aware of the burdens of proof necessary to establish liability for the claims asserted in the lawsuit, Settling Defendants’ defenses thereto, and the difficulties in establishing damages. Plaintiffs and their counsel also have taken into account the extensive settlement negotiations that have been conducted. Based on the foregoing, Plaintiffs, in their roles as the Class Representatives, and their counsel, Morris, Sullivan & Lemkul LLP and the Law Office of Marc O. Stern, APC (“Class Counsel”), in their capacity as attorneys for the Class, believe the settlement confers substantial benefits to all Class Members and is a fair, adequate and reasonable settlement, and is in the best interest of the Class Members.

Through the litigation and the negotiations that resulted in this settlement, Settling Defendants have not admitted any

liability or wrongdoing. At all times, Settling Defendants have further asserted that the care and treatment rendered was appropriate and reasonable, have denied any alleged impairment of Gary Losse, M.D., and have denied knowledge of any purported impairment. Settling Defendants have additionally expressly denied, and continue to deny, each of the claims and contentions alleged by Plaintiffs in the lawsuit. Settling Defendants repeatedly have asserted and continue to assert defenses thereto, and have expressly denied and continue to deny any wrongdoing or legal liability arising out of any of the facts or conduct alleged in the lawsuit. However, Settling Defendants have concluded that any further defense of this litigation would be protracted and expensive. Substantial amounts of time, energy and resources of Settling Defendants have been and, unless this settlement is made, will continue to be devoted to the defense of the claims asserted by Plaintiffs on behalf of the Class Members. Therefore, Settling Defendants have agreed to put to rest and settle the asserted claims in the manner and upon the terms set forth in this Notice, without any admission of wrongdoing or liability.

The settlement was preliminarily approved by the Court on **May 6, 2016**. A summary of the terms of the preliminarily approved settlement is set forth below. The specific and complete terms of the proposed settlement are described in the Joint Stipulation of Class Action Settlement Agreement (“Agreement”), a copy of which is available for your review as set forth at the end of this Notice.

II. WHO IS IN THE SETTLEMENT

To determine whether you are entitled to receive money from this settlement, you must first determine whether you are a Class Member as set forth below:

4. How do I know if I am part of the settlement?

Any individual who fits within this description is a Class Member *for settlement purposes only*:

All persons who were patients and treated at Arthroscopic & Laser Surgery Center of San Diego, L.P. (and all affiliated entities operating under fictitious business names related thereto); SHC San Diego, Inc.; or HealthSouth Corporation at the HealthSouth Sports Medicine and Rehabilitation Center formerly located at or about 5471 Kearny Villa Road, Suite 202, San Diego, California; and/or who received any surgery or treatment from Defendant Gary Losse, M.D. at Arthroscopic & Laser Surgery Center of San Diego, L.P. or the Kearny Villa location, from January 1, 1996 through December 15, 2000.

5. Are there exceptions to being included?

There are no categorical exceptions to the class definition above. Class Members who wish to exclude themselves from the settlement may do so as described in **Section V.** below.

6. I’m still not sure if I am included.

If you are still not sure whether you are included, you can ask for free help. You can call the Claims Administrator, Classaura Class Action Administration, at (888) 272-1245 or email the Claims Administrator at healthsouth@classaura.com.

III. THE SETTLEMENT BENEFITS – WHAT YOU GET

7. What does the settlement provide?

Settling Defendants have agreed to pay \$5,000,000.00 (“the Class Settlement Amount”) to resolve the claims in the lawsuit. All Class Members, excluding only those who properly request exclusion, will be included in the settlement (“Settlement Class Members”). Of the Settlement Class Members, only those who file valid and timely Claim Forms will receive a settlement payment (“Participating Class Members”). The total sum of \$5,000,000.00 will be payable to the “Participating Class Members”, the Class Representatives, Class Counsel, and the Claims Administrator.

If approved by the Court, the \$5,000,000.00, *minus* the deductions identified below, will be distributed to all Participating Class Members. The deductions include:

1. Class Representative Enhancement Awards to be paid to Plaintiffs in an amount not to exceed \$25,000.00, each;
2. Class Administration Costs, estimated at \$35,000.00; and
3. Attorneys' Fees and Costs in an amount not to exceed \$2,000,000.00;

The foregoing amounts are tentative estimates because they are subject to approval by the Court at the Final Approval Hearing, which is set for **November 10, 2016**. The remaining amount after these deductions are made from the \$5,000,000.00 Class Settlement Amount is called the "Net Settlement Amount", which will be apportioned and made payable as described below and in the Agreement among all Participating Class Members. The payment and distribution of any unclaimed settlement payments shall be made in accordance with the Agreement, subject to approval by the Court.

8. How much will my payment be?

All Participating Class Members (as defined above) are entitled to receive settlement payments. The amount of any individual settlement payment will be based on whether Class Members treated with Defendant Gary Losse, M.D. at Arthroscopic & Laser Surgery Center of San Diego, L.P. ("ALSC"); whether Class Members treated with some other physician than Defendant Gary Losse, M.D. at ALSC; and/or whether Class Members received rehabilitation treatment at the HealthSouth Sports Medicine and Rehabilitation Center formerly located at or about 5471 Kearny Villa Road, Suite 202, San Diego, California, as follows:

- 94% of the Net Settlement Amount to be apportioned equally among Participating Class Members who received treatment by Gary Losse, M.D. at ALSC;
- 3% of the Net Settlement Amount to be apportioned equally among Participating Class Members who received treatment by some other physician than Gary Losse, M.D. at ALSC; and
- 3% of the Net Settlement Amount to be apportioned equally among Participating Class Members who received rehabilitation treatment at HealthSouth Sports Medicine and Rehabilitation Center formerly located at or about 5471 Kearny Villa Road, Suite 202, San Diego, California.

IV. **HOW YOU GET A PAYMENT**

9. How can I get a payment?

All Participating Class Members who submit valid and timely Claim Forms (as defined above) are entitled to receive settlement payments. If you return the Claim Form, but it is defective, you will be mailed a cure letter by the Claims Administrator within ten (10) business days of receipt of your defective submission. **You must follow the instructions provided therein in order to ensure your claim is valid and timely.**

10. When can I expect to receive my payment?

The Court will hold a hearing on **November 10, 2016** to decide whether to finally approve the settlement. If the Court finally approves the settlement, and there are no objections or appeals, settlement payments will be mailed to all Participating Class Members within a few months. If there are objections or appeals, resolving them can take time, perhaps more than a year.

Please be patient.

11. What am I giving up in exchange for a settlement payment or if I do nothing?
